## PRODUCT DATA SHEET

### Fritzle PowerChem

# 1412

Fritzle PowerChem 1412 is made especially for the Swabian Market. Of course it can be used also in Europe and Worldwide but of course it needs to be checked if Endusers get used to this new product.

As everybody knows "Schaffe, schaffe, Häusle baue" is not just a term, it is reality.

Cars gets faster, Soccer Teams play better and of course it has to be cheap.

This is why Fritzle PowerChem 1412 fits just perfect!

LinsenMitSpätzle can also be used together with PowerChem 1412 as LinsenMitSpätzle is a fabulous meal.
